

DEAR SWEET VALERIE,

BAKERSFIELD 10-17-07
AFTER THE BIOPSY

THE SURGEON OF THIS SECOND BIOPSY WAS VERY CONFORTING (AND COMPLETELY IN DISAGREEMENT WITH THE LUNG EXPERT)! HE EXPLAINED ME THAT THE OTHER TIME THEY TOOK 2 SAMPLE BUT BECAUSE OF THE RESULTS HE IS CONVINCED THEY MISSED THE SPOT.

HE AFFIRMS THAT IT IS ABSOLUTELY IMPORTANT TO KNOW WHAT WE ARE DEALING WITH AND CONFORTED ME BY TELLING ME HE HAS A 95% SUCCESS RATE IN HIS BIOPSIES. HE HAS TAKEN THE SAMPLE FROM THE FRONT THIS TIME (ON THE PECTORAL, I WAS SO SCARED) AND HAS IMMEDIATELY COMMENTED THAT HE WAS SURE HE GOT THE NODULE. LET'S HOPE WELL AND LET'S HOPE THE WARM FEELING HE GAVE ME IS NOT JUST AN IMPRESSION.

NOW WE HAVE TO WAIT FOR THE RESULT BUT I HOPE

THAT IN THE MEANWHILE KATIA AND ENRICA WILL LET
A DOCTOR SEE MY DESCRIPTIONS AND MY RECORDS
FROM THE HOSPITAL SO HE'LL BE READY TO HELP
ME WITH A DECISION...

ASK KATIA TO TRY AND FIGURE OUT HOW I CAN
RELY THE RESULTS OF THIS BIOPSY AND GET A
DECISION FROM HER AND THE DOCTOR ^{QUICKLY} WITHOUT
HAVING THE GUYS HERE LOOSE THEIR PATIENCE!
I'M SORRY FOR THE HALF PAGE BUT I'M OUT
OF MATERIAL (AND THEY DON'T GIVE ^{ME} ANY 😊)

THANK YOU,

Carla
