COMPLAINT

Katia Anedda, born in Wiesbaden (Germany) on the 26 February 1967 (NDDKTA67B66Z112Y), residing in Eboli (SA) Via U. Nobile 14 c/o Avv.ti Franco Cardiello and Costantino Cardiello, of whom she is represented. Acting as General Attorney in virtue of the notorial act no. 247/2008 lodged with the Italian Consulate and the form A 250 General Power of Attorney dated March 20th, 2006 public notary deed drawn by Philip Durante Comm. 1625780 by Mr. Carlo Parlanti, born in Montecatini Terme on 1st November 1964 and at this moment detained at the 2nd level State Prison of Avenal (CA, U.S.A), declares as follows:

Mr. Carlo Parlanti, an Italian citizen who moved to the United States for work purposes was sentenced to nine years imprisonment for alleged rape.

Mr. Carlo Parlanti was arrested in Germany on the 5th July 2004 following an International arrest warrant issued by the Ventura Court, and after 11 months preventive detention in a European country he was extradited to the USA on 3rd June 2005 and went on trial on 10th December 2005.

The trial was based entirely on the statement of the alleged victim, Ms. Rebecca White who made use of false evidence which she had previously set up and on stories of facts that never took place.

When the various versions of the event are put together, the following picture of the sequence of events can be attained.

her head was banged thirty times against a notice-board and then thirty times against the wall
the violence was so great that over the following days a loss of hair was evident;

kicked in the stomach and ribs, slapped several times and punched in the eye;

she was suffocated and so was not able to cry out for help

she was held in a wrestling grip with the alleged assailant on her back pulling back her head

an entire fist was thrust inside her vagina after which the assailant tried to open the fist inside the vagina

a hand inside the anus which caused such heavy bleeding that the mattress was soaked in blood

her nipples were bitten so hard that it felt as if they had been bitten off so violently that the alleged victim screamed as hard as she could

she blacked-out four times

These are some of the accusations made against Mr.Parlanti, in the phase of the preliminary inquiry the sheriff of Ventura presents a report Exhibit F in order not to allow bail and where he states that the department had discovered that Mr.Parlanti had behaved similarly, sexual abuse, against three other women and in the same document it is stated that Mr.Parlanti had been arrested for: assault, armed robbery, false imprisonment. It is further declared that during the investigation by Italian police, it was discovered that Mr. Parlanti had assaulted an Italian girlfriend in a similar manner as Ms. White. There is no evidence of any conviction or complaint filed, neither in the United States nor in Italy. As regards Italy exhibit F1 is attached – this is the police record of Mr. Parlanti dated October 2004 when he had already been arrested in Germany and which shows that Mr.Parlanti had no previous police record.

In the statement Exhibit E of Dana Orent, the detective of the lawyer Marilee Marshal who had taken on the case of Mr.Parlanti in 2004, the detective indicates that his colleague David Whiliam, detective of the District Office of the county of Ventura had reported Mr.Parlanti with previous violent crimes in Germany. There are no previous crimes committed by Mr. Parlanti anywhere in Europe.

At the hearing held on 6th June 2005 exhibit F2 the Public Minister Gilbert Romero in order to support the request for not allowing bail which is constitutional right, does not ascertain that any previous criminal records exist and does not ascertain the economic disposition given to the Ventura sheriff.

This complaint is made with the intention of prosecution for the crimes that the American Authorities will wish to consider completed by the exposition of the facts narrated, which require precise and immediate investigation. It must be said that there will be other complaints following this one to speed up the enquiries into any perpetration of other crimes, committed before, during and after the trial against Carlo Parlanti for the sole purpose of reaching a sentence of criminal responsibility founded on the distortion of facts.
